

## **Jean Monnet Module EU-Western Balkans Cooperation on Justice and Home Affairs (EUWEB Module)**

**The EUWEB Module, hosted by the University of Salerno, offers a three-year specialization course on EU Cooperation on Justice and Home Affairs (JHA) with the Western Balkans in view of their accession to the Union.**

The Module introduces an innovative and multidisciplinary approach in EU legal studies and promotes excellence in teaching EU issues in **the fields of immigration, the fight against transactional crime, police and judicial cooperation, and the protection of fundamental rights, with the Western Balkans by bringing them closer to the Union.**

**The module aims to provide an in-depth and technical analysis of the JHA field that is one of the main areas of cooperation between the EU and the Western Balkans** and concerns a matter of extreme political importance for the EU. In fact, in line with the EU's 'new approach' to the accession process, opening chapters of negotiations on judicial reform and fundamental rights (Chapter 23) and on justice, freedom and security (Chapter 24) have been a top priority in the accession negotiations with the Western Balkans.

The Module consists of **58 hours per year** of training courses that will take place **each Friday (2:00 p.m. - 7:00 p.m.) from March to June 2020** at the Department of Legal Sciences (School of Law), University of Salerno (Italy).

This Module is **addressed to students, graduates and Ph.D. candidates, but also to all stakeholders (legal operators, judges, lawyers, law enforcement officials, civil servants and civil society, policy makers)** and concerns four macro-areas:

- I. EU-Western Balkan cooperation on cross-border security (migration and asylum management);**
- II. EU-Western Balkan cooperation on transnational crime;**

**III. EU-Western Balkan judicial and police cooperation;**

**IV. EU-Western Balkan cooperation and protection of fundamental rights.**

All the Module's topics will be addressed **an interdisciplinary approach**. In the context of our activities, **teaching and open debating** will be guided by a **participatory and interactive method** in order to promote a public awareness on the gradual integration of the Western Balkan Countries in the EU.

The approach will also promote the soft skills of the younger audience; forms of delivery and innovative learning (flipped classroom, peer education, cooperative learning, problem solving); the support of the public and private institutions, thanks to the cooperation with local authorities, as well as with Western Balkans' institutional authorities. **The EUWEB Module has the support of Albanian and Macedonian universities, of civil society associations that are directly involved in its activities, as well as the contribution of national and international legal experts.**

**The course is free of charge and participants need to register on the website ([www.euweb.org](http://www.euweb.org)).**

**Participation in one or more lessons is allowed after registration on the website. Only those participating in 70% of the courses' activities will be eligible for an attendance certificate.**

**Foreign students, who will participate to the Module and present a final paper, subject to evaluation by the Module's Teaching Staff Members, will be recognized the number of 6 (six) ECTs.**

**Students of the Department of Legal Sciences of the University of Salerno, who will participate in the Module and submit a final paper will be recognized from 2 (two) to 6 (six) ECTs as required for the performance of "other activities" pursuant to Article 10, Paragraph 5 - Letter a) of**

the Ministerial Decree No. 270/2004. The number of ECTs will be decided by the Commission including the Module's Teaching Staff Members on the basis of **the students' participation in the lectures (at least 70%) and substantial assessment of the submitted paper.**

**The best papers**, selected by the Commission including the Module's Teaching Staff Members, **will be discussed during the Final Annual International Conference in June and will be published in the section of website dedicated to the Open Educational Resource (OER) or on the Academic Journal of the Department of Legal Sciences (School of Law) of the University of Salerno "Iura and Legal System", ISSN 2385-2445.**

**Lawyers** who participate in the Module activities will be awarded **4 (four) credits for each lecture by Salerno's Bar Association.**
